The Vanguard Nomad is the first true performance daysailer that combines Vanguard design innovation with comfort, stability, and ease of use to offer a new, exciting sailing experience for everyone.

Vanguard performance along with ease of sailing

- Designed by Bob Ames, designer of the Vector and Vanguard 15
- Clean halyards, sheets, and sail controls
- North Sails 3DL RM sails
- Asymmetrical spinnaker
- Roller furler jib
- Tapered mast

Easy to rig, launch, and store

- Mast can be raised by 1 person
- Easily rigged in 20 minutes
- Trailerable
- Easy to launch
- Dry sail or store on a mooring or slip

Comfortable to sail

- Large, open cockpit
- Comfortable seating with angled backs
- Enclosed centerboard
- Mainsheet led away from passengers
- Compression vang creating more space under the boom
- Room for 4 adults
- Self bailing cockpit
- Extremely dry to sail

Plenty of Storage

- 4 lockers in cockpit
- 2 watertight compartments by mast
- Plenty of room for cooler, anchor, engine, gear, and supplies
